Date/Time: Monday, March 23, 2026, at 10:30–10:55 am PT

The fireside chat will be webcast live and archived on the [Events](#) page in the investor relations section of the company's website for one year. If you are interested in arranging a one-on-one meeting with CapsoVision's management team at the conference, please contact your Roth representative or reach out to the company directly at [Investors@CapsoVision.com](mailto:Investors@CapsoVision.com).

### About CapsoVision

CapsoVision is a commercial-stage medical technology company focused on developing advanced imaging and AI-enabled solutions to transform the detection and diagnosis of gastrointestinal diseases. Its flagship product, CapsoCam Plus®, is a wire-free, panoramic capsule endoscope that enables high-resolution visualization of the small bowel and supports cloud-based or direct capsule video retrieval. The Company's next pipeline product, CapsoCam Colon™ with enhanced AI, is designed to enable non-invasive colon imaging and polyp detection. With a proprietary platform targeted to expand across multiple GI indications, including esophageal and pancreatic disorders, CapsoVision is advancing a new era in capsule-based diagnostics. For more information on CapsoVision, please visit [www.capsovision.com](http://www.capsovision.com).
